	State : Ondo State

### SUMMARY

As a seasoned web developer, I bring a wealth of experience to every project. With a strong foundation in HTML, CSS, and JavaScript, I specialize in crafting responsive and visually appealing websites. My background includes Dominion University and Cholatrek Institution, ensuring a solid understanding of industry best practices. Having successfully worked with Companies, I am adept at translating user-friendly and efficient web solutions. I prioritize staying abreast of the latest technologies, guaranteeing that the websites I create are not only functional but also cutting-edge.

### WORK EXPERIENCE

March 2020 - November 2021	<b>Web Developer</b> CSS3 Stylist	Akure, Ondo State
	As a CSS3 Stylist, I specialize in creating visually appealing and responsive user interfaces. My responsibilities include implementing and maintaining CSS stylesheets to enhance the overall look and feel of websites. I ensure a seamless and engaging user experience by staying updated on the latest design trends and utilizing CSS3 features. Collaborating closely with developers and designers, I contribute to the development of scalable and aesthetically pleasing web applications. From layout design to optimizing for various devices, my focus is on crafting modern and efficient styles that elevate the user interface.	
May 2021 - November 2022	<b>Graphic Designer</b> UI Designer	Lagos, Ibadan Expressway
	<ul style="list-style-type: none"><li>• I shape engaging digital experiences</li><li>• combining creativity and functionality.</li><li>• I craft intuitive user interfaces, collaborate with cross-functional teams, and ensure visual.</li><li>• consistency. My goal is to enhance user satisfaction by delivering visually appealing and user-friendly designs.</li></ul>
